TOWN ANNOUNCES BRUSH DROPOFF HOURS

The Town of Hanover through Hanover Department of Public Works has announced that the leaf and brush drop-off area on Ames Way will be open on Sundays during October and November to accommodate fall cleanups.

“One of the goals of the Board of Selectmen is to strengthen our outreach to the public. Through our new website, we received input and suggestions to have the brush drop off area open on Sundays. Working with DPW Director Victor Diniak, we listened and delivered. Public input is important and plays a critical role in how we do business,” said Town Manager Troy B.G. Clarkson

The brush facility on Ames Way will be open Sundays from 8:00 AM until 12:00 Noon until November 17.
